

BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

In the Matter of:

East Camden Branch
East Camden, Arkansas
(Gene Hill, Petitioner)

Docket No. A2011-30

**UNITED STATES POSTAL SERVICE NOTICE OF FILING ADDENDUM TO
ADMINISTRATIVE RECORD [ERRATUM]**
(August 12, 2011)

On August 10, 2011, the Postal Service filled a Notice of Filing Administrative Record and Application for Non-Public Status in response to the Commission's Order No. 773, directing the Postal Service to "file the applicable administrative record regarding this appeal no later than August 10, 2011."

Attached hereto is the public version of the Final Determination, which should have been included in the administrative record. Due to the assembly of the record taking longer than expected, this Final Determination was received late by the USPS Law Department. Having promptly provided this record as an addendum to the previously submitted administrative record, the Postal Service does not believe that any prejudice has arisen from filing this document on August 12, 2011. We ask that the Commission apply the same standards of non-public status requested by the Postal Service on August 10, 2011 through the Postal Service's Application for Non-Public Treatment, and file this addendum on CD-ROM under seal in order to provide for such treatment.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
By its attorney:
